

Issue 93: INSIDER'S EDGE: Outstanding Verifications—January 31 is almost here!

Welcome back, Insiders! With 2015 now underway, we're quickly approaching an important deadline for many consumers who used the Maryland Health Connection to apply for Medicaid last November—**January 31!**

2015 JANUARY						
SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	31

As you may recall from *Issue 87: INSIDER'S EDGE: Outstanding Verifications—Then v. Now*, consumers who qualify for Medicaid who have outstanding verifications are granted 90 days of temporary eligibility on a Fee-For-Service (FFS) basis. If a consumer fails to submit **all** of the information requested by the established due date, their Medicaid coverage will end.

Time is running out for some consumers, but you can help!

With the very first temporary eligibility window closing for many applicants on January 31, they need your help! If you are working a case and see that it has a **January 31 end date for benefits in MMIS**, bump it to the top of your priority list. Check the case in the Maryland Health Connection system for outstanding verifications under the “Manage VCL” section. If the case has outstanding verifications uploaded, review the documents! Doing so will ensure the case is completed.

That’s all for now. See you next time!
